Subject: DNR 50hp Regulation Package Legal Questions

Dear Attorney General Colberg,

Please see the advanced copy of a letter from our organization, Kenai Area Fisherman's Coalition (attached) regarding legal questions in reference to certain aspect of DNR's Kenai River 50hp Regulation Package. We believe there may be constitutional and state statute aspects that require further review. There is a portion of these changes that call for the removal of a select group of citizens from the resource that we find unjustifiable and arbitrary. We have tried to resolve these issues with DNR leadership without success.

We would appreciate further scrutiny of these changes before your agency signs off on them.

Thank You,

Dwight Kramer

FYI, update on the FOIA from Channel 2. I reviewed the video clip today and noticed the extent of their inaccurate reporting Tuesday night in which they say that "by law the deadline is November 15th (today) and that MM notified them they'd not comply by the deadline…" The deadline to comply is November 26th. And, what they were told – in writing – was that we needed to consult with legal on the sensitivity of disclosing third party information. I've worked with Sharon on this today and she has requested a retraction from Channel 2. As you can see from below (and attached), Kristan provided them the totals without vendor specific info.

Also they had an earlier information request on September financials and that information was provided to them by November 5th. We are certainly demonstrating our willingness to work with them and that is what Sharon reiterated to them today.

Our current payables as of today are $908,738.60 and our current receivables as of today are $1,356,146.86. These are the latest financial documents I have available to me. Donna Edwards our controller is on vacation. We are doing our best to comply with your request. According to the regulation 2AAC96.325(a) however, we have 10 working days after we received a request to comply. We received this request from you on November 8th. Because of the holidays involved we have until November 26, 2007 to reply. In good faith we are sending you what we can today. We are consulting with legal counsel about what can release beyond what I have given you. Thank you for your understanding. Kristan Cole, Chairman of the Board, Creamery Corporation
